Seay said, "I have had the pleasure of riding in many places with many people, but this ride at Brushy Creek Lodge & Resort has to be one of the best locations with the most enjoyable guests and hosts we have ever seen. These folks are truly the heart and soul of America. It was my honor to be there and I look forward to riding with these friends again."

The trail riding event held on October 6-8, 2011 attracted riders from all over Missouri and surrounding states. In addition to trail riding each day, other fun equine activities were held such as a trail challenge, a mounted cowboy shooting demonstration, Cowboy Church and several equine clinics. During the Saturday evening banquet, Tom Seay was presented with a lifetime membership to the Back Country Horseman of America for his continued support of America's equine trails.
